

AGILE OVERVIEW

Half-Day Free Briefing

30th June 2009 (London)

/

7th July 2009 (Cheshire)

What's it all about?

Agile is fast becoming a key topic among Business Managers and IT Professionals, with many considering it the future of project delivery. As a leading provider of Agile training and consultancy, TCC has already helped many organisations make the transition. This briefing is an ideal taster and a perfect way to learn more about Agile. Come and see what it's all about. It's free... and even better, so are the refreshments!

AGILE OVERVIEW (HALF-DAY FREE BRIEFING)

This half-day briefing is designed to be an informative overview of agile methods. It focuses on the most widely-adopted approaches to agile, exploring the principles and practices, whilst highlighting the benefits, risks and impacts of agile adoption. The briefing includes tips for introducing Agile into an organisation and identifies the support available.

Course Objectives

This briefing will enable delegates to:

- Understand the reasons for introducing Agile
- Recognise the common features of agile methods
- Recognise the benefit and risk profile of agile projects
- Recognise the elements of planning, estimating and control of agile projects
- Understand the approach to introducing agile methods into an organisation

Who Should Attend

Those who are considering a move towards Agile and wish to evaluate agile approaches, including:

- Project Sponsors
- Product Owners
- IT Managers/Directors
- Senior Project Personnel
- Business Managers
- Quality Managers
- Project & Programme Managers

Presented by:

* Agile Project Leadership Network (APLN)

Dorothy Tudor

**APLN & Agile Alliance Member
Certified SCRUM Master**

**DSDM Consortium Director
DSDM Atern Trainer**

Founder of the world's first Agile Leadership qualifications with the DSDM Consortium - Agile Foundation and Agile Project Leader Practitioner.

LIMITED PLACES AVAILABLE

Bookings are accepted on a first come, first served basis. Delegates attending this event must register via the TCC website or over the phone before the event, to secure a place.
